Committee Report

Well we are nearly half way through the year and it is going quick the Committee is on top of their respective jobs and working well as a team.

It would be no surprise to Club members that there is a bit of work going on behind the scenes that makes the Club comps go without a hitch (well most of the time !!). For me it is great to see everyone having a good time both new and long time members. Like last year we are keen to keep the Club comps a fun social time with some friendly competition. If you have any suggestions or would like to help out in any way please catch me or any of the other Committee either at the Comps or mobile/email; it's your Club.

Planning for the Spring Classic is underway and I am please report GSI is once again on board . We only have 15 weeks to the Classic being held on Saturday 10 September 2011 at North Cronulla. We plan to have entry forms out in July, with a date to be confirmed. As in previous years this Comp fills up pretty quick so when they are out DO NOT delay putting your form in otherwise you may well miss out.

This year we will be have things a bit different in that we will not be doing an Charity Auction board as in past years. Whilst the entry fee will be unchanged from 10% of the entry be will donated to a Charity together with a contribution from the Club and effectively have the same \$\$ donation going to charity.

The Spring Classic format will be the same but with a few funs things are being planned during the day for Competitors and friends just to keep it interesting. We can only hope for the same great weather as last year , fingers crossed *See ya on the beach Wayne*

May 2011 Contest Report

1 May 2011

6:30 AM

The 6.30 am start was appreciated by members however, only the dedicated few were there for the sounding of the bell on not such an exciting morning. No doubt the bad weather on the Saturday kept a few members in their jarmies under the doona. Other members slowly arrived and after much conjecture it was decided to hold the round at the break just south of the Elouera Surf Club.

We had about 36 members who were keen and wanted to surf and after the heats were allocated we managed to get in the about 7.15 a m on the high tide and not too an enticing bank. To say it was challenging was a bit of an understatement, just getting out the back was a milestone. Fortunately no boards were broken or damaged in the trying conditions.

Round one saw some impressive results with those members who adapted to the conditions. April Charles was a standout winning her heat and considering the talent in the heat this was an impressive result.

As the heats progressed a few members decided not to surf the second round. The surf deteriorated on the changing tide and increasing wind and the second round reverted to firsts surf first.

The allocation of a head judge for each heat appeared to work well and was also evident in the more consistency in the judging. It would be great if the more experienced members can help out new members who may be judging alongside them.

It was all over by noon and a quick pack up the Dripping Wet Monthly Comp raffle with great products being given out. I reckon this has to be the best raffle going around with the number of prizes being given out. The raffle raise funds that actually run the day and in turn help the year end Chrissie preso being a great night. Look forward to seeing you all on the beach for the June club round.
