The Christmas party and preso is just around the corner and we are in full swing to get this happening and need to finalise numbers.

The Event for you is at;

Date Saturday 11th December 2010

Time 6.30PM

Location Sharkies Summertime bar

Cost \$20 with Groms under 12's it will be \$12 per head.

This year with a bit more time to organise we have arranged a catered BBQ with red and white wine on each table, jugs of beer, soft drink.

The last chance to get tickets will at the December round on 5th December

Because of the need to get the catering organised well before hand tickets will not be available at the door. The catering has to be finalised with Sharkies on Monday after the next round

As we have been saying all year there will be a board for each A, B and C grade with the winner drawn from the "hat" for each grade. To be eligible for the draw you must have surfed eight rounds (if a round is cancelled this will be adjusted accordingly) and be there on the night can't be any easier, with the juniors and girls included so that all financial full members have an equal chance.

There will also be a another board for the usual competitors draw along with a stack of other prizes.

There was a good role for the BBQ at my place after the last round and at this stage there will be no after Club BBQ in December

We will be doing the annual Club Photo during the course of the Day so make sure you come along.

November Contest Report

The week leading up to the November contest was wet with on shore winds and poor surf. But for those keen members who got out from under the covers they were well and truly rewarded with the best surf of the year the day.

Not only was the surf good ALL comp but the weather was finally good for a weekend. Our contest director and our secretary again choose the best bank on the beach at John Davey. These guys have done well all year and it is going to make it hard for December to top this month.

Across the club there was some great surfing especially from the Matt Cook and Rob Smith battling it out for the A Grade along with great performances by Tony Boyd amongst many others across the grades.

For November and December the results will not be released until the preso
