### Committee Report

Well guys and girls we are getting into the home straight for the end of 2010 it been an interesting year to say the least we hope you have been enjoying the year as well.

As we mentioned last month the Christmas party and preso is just around the corner and we are in full swing to get this happening.

This year the Committee has arranged the event for you at;

Date Saturday 11th December 2010

Time 6.30PM

Location Sharkies Summertime bar

Cost \$20 with Groms under 12's it will be \$12 per head.

This year with a bit more time to organise we have arranged a catered BBQ and a few \$\$\$\$ on the bar to wash it down.

There will be tickets at the November and December rounds. Because of the need to get the catering organised well before hand tickets will not be available at the door. The Christmas Party at Sharkies will also incorporate the juniors/grommets preso rather than a separate midday event; as used to be case especially given the venue suits our needs.

Again a reminder that this year there will be a board for each A, B and C grade with the winner drawn from the "hat" for each grade. To be eligible for the draw you must have surfed eight rounds (if a round is cancelled this will be adjusted accordingly) and be there on the night can't be any easier, with the juniors and girls included so that all financial full members have an equal chance.

The after club BBQ at Wono's turned out to be a big event with about 40 or some drifting in and out during the afternoon. For November there is an after club BBQ ( my place) and for December our Social Directors ( Mingo & Jimbo) are dinner at local restaurant—keep you posted

The Green Island Mates weekend is on again this weekend give Jimbo a call if you are interested.

*See ya on the beach Wayne*

# October Contest Report

It was a bit of a struggle getting a good bank with a short boarder comp at the Alley, nippers and a lifesaver event on at Elouera. The Committee pick John Davy which looked the best break of a bad bunch.

As the day progressed the weather improved and with the barbie in full swing it turned out a good day. The raffle was down a bit *so don't forget to bring your raffle money* it does help as all the proceed go to the club and end of year.

The roll was down a bit for an October comp with a about 50 competitors on the day. As with all our comps this year we got off to a good start with great performances in trying conditions. With the warmer weather the grommet heats should be starting up again— conditional on having enough groms for the heat.

There was no need to remind members not to surf in the contest area during the heats. You had to laugh when non competitors paddled out on the same break given the bad conditions and other available breaks. The Southside contests seems to be a magnet over the years to some shortboarders, esky lids and longboarders alike.

We have been working on the problem some of you have had opening the contest results on the website, if you are still having a problem please email the committee and let us know.

For November and December the results will not be released until the preso

See you next round
