September 2010 Newsletter

Committee Report

The club's finances are continuing to look pretty good and post the Spring Classic we are on track to deliver a good end of year preso with enough in the Sutherland Credit Union account to fund the 2011 start up without any of the problems the 2010 committee experienced twelve months ago.

The preso will be at Sharkies Summertime bar on Saturday 11th December 2010. A reminder that this year there will be a board for A, B and C grades with the winner drawn from the "hat" for each grade. The criteria being that you have to have surfed eight rounds (if a round is cancelled this is reduced to seven) and be there on the night, with the juniors and girls included so that all financial full members had an equal chance. As we previously mentioned the committee thought this was a fair across the board and helps keep the comps fun.

Southside Spring Classic 2010—

We hope you all had a good time at the Classic again Southside was in luck with good waves and great weather. Could not believe how lucky we were after I checked out the surf, or lack of late on Friday, thought it may have been dead flat. However Huey came good again and it picked for our big comp much to the relief for the Classic organisers. Like most I was especially it was not on the following Saturday with that really big swell that hit Cronulla.

I would like to take this opportunity to thank all our sponsors because without your solid support there would simply be no Spring Classic. Nick Demetriou did a great art work job on the T Shirts and poster

The Classic results are up on the website and congratulations to the winners who came from near and far. One thing I do like about the Classic is the chance to catch up with old and new friends.

A big thank you to our Event Head Judge Graham "Zorro" Sorenson and Event Contest Director for the Steve Pinninton who both each year do an excellent job. Also "golden tonsils" Tony Babic once again did a great job especially at the preso without a mike. From the 5am start up to the pack up so many members, guys, girls and grommets, pitched in to do their bit all of which just makes the Classic such a great event. Just like the sponsors I would have liked to list all of the helpers but like the preso I have been brief. Thank you all.

A quick preso is a good one and this year's was undertaken in record time at Northies and all over shortly after 6 Pm.

See ya on the beach Wayne

Highlights

- > All our social members are encouraged to come down to the Monthly contest to have a catch up and a bacon and egg sanga.
- > After next round on Sunday 10th October there will be a Club BBQ starting at 3 Pm Wono's place at Kurnell. Put this one in the diaries

10th October 2010

September Contest Report

The Club's luck continued for the September Comp at Elouera with good waves and fine weather. This was the last comp practice for most of us. The day went well without any hiccups, no controversies the usual post Comp raffle, which again was well supported.

We do need to ensure there is a spotter for each heat and that judges check during the heat to make sure that they have not missed any competitors waves. Whilst this request may sound like a broke record it is some thing that we do at times slip up. For the guys doing the tallying it really helps as well as each of the surfers in the heat.

Just a gentle reminder not to surf in the contest area during the heats.

See you 6.00 Am on 10th October for the next comp

Breaking News Report

One of our longest members Rod Menzies again did the Club proud at the Australian Titles with fourth place in the Over 60's Division. As most of you would know, just look at the calibre of surfers in this age group at the 2010 Spring Classic, this is a very competitive age group of surfers and to get this result is a great achievement.

To prove it was no fluke Rod backed this result up at the 2010 Spring Classic with a win in the Weight for Age and second place in the Over 60's.
