### COMMITTEE REPORT

The month of September was certainly a mixed bag.. The club round was held in what could best be described as mediocre 2 foot lefts and rights with the occasional workable set waves. In summary, it was cold and a tad uninspiring. Despite the conditions, some nice surfing went down.

Grant Audsley won the day by finding the rare right waves in the first place-getters round and very stylishly surfing them to the beach. Hot on his heels was the ever present Matt Cook and the consistent Jon Lavers, Paul Detmold and Ben McGrath.

The surprise package on the day was the improving Jacqui Llanos, who won her heat in the first round and was again competitive in round two, beating Mingo into sixth and securing 55 points for the round.

Grant Audsley also took out the point score on the day followed by Matt Cook, the ripping Tony Boyd, Jon Lavers, Gordon Hunter and Mick Nelson.

Thanks to 'Dripping Wet' for the raffle prizes - they continue to be very generous to our club so keep supporting them. The progressive scores are now all up on the website to check out.

### THE SPRING CLASSIC

In contrast, the Spring Classic went down in superb conditions at 'The Alley'. The forecast was ugly however when the day dawned we were blessed with clean off-shore conditions, great banks and a consistent and pulsing two to four foot swell.

The waves held up all day and the crew feasted on the great swell. Overall the club raised \$1,500 for the 'Blue September Australian Cancer Research Foundation'.

A huge thank you to the event sponsors and especially Willett and Associates for their great support in making the day successful.

In the water the standard of surfing was very high with all the out of towners firing in the ideal conditions and raising the bar for the Southside crew to progress to the finals. Dane Wilson won the Open 9-foot final from Marlin Guihot, Rob Smith, Brad Whittaker, Andy O'Sullivan and Matt Moulder.

April Charles took the Women's final from Erin Dark, Sally Suendermann, Jacqui Llanos and Rebecca Sourry. Matt Cook won the Open 8-foot final from Dean Cristallo, Jason Skinner and Rod Harty.

Age division winners were John Pavett, Jason Skinner, Rob Smith, Pete Toby, Michael Cottier, Rod Menzies and Neale Ashby. Tony Boyd won the Old Mal final from Isaac Paddon and Jim Sourry.

Thanks to all members and volunteers who helped on the day - it was a massive joint effort by a lot of dedicated people. Special recognition must go to Wayne Egan, Rob Smith and Mick Nelson, who put in a massive amount of planning work behind the scenes to make the event enjoyable, successful and profitable.

Presentation issues were out of our control but be assured we will get the presentation right next year!
